How do you get there?

From the North (Oviedo/Airport) blue route

Enter Cangas del Narcea following the AS-15 and continue to pass through the town without diverting from the road.

Before arriving at the bridge, take the diversion to the right and, going straight on, you will enter the Besullo road where the JPIM is located.

From the South (Degaña) red route

Enter Cangas del Narcea following the AS-15.

Before arriving at the bridge, take the diversion to the left and, going straight on, you will enter the Besullo road where JPIM is located.

From the bridge to the company

Following the CN-1 road from Cangas, at 1.4 Km you will find a notice on the right of the road indicating the entrance to JPIM as can be seen in the photo.
