From the North (Oviedo) Orange Route

You take the A-63 in the direction of "Grado-La Espina" and you leave at the SL-9 exit. You then take the AS-15 which runs along the banks of the River Narcea until reaching your destination.

From the South (León) Yellow Route

From León via the AP-66 in the direction of Asturias, you take the CL-623 at the Barrios de Luna reservoir and pass through the districts of Babia and Laciana, arriving at Villablino. At Villablino you take the CL-631 as far as the port of Leitariegos and there you join the AS-213 as far as Cangas del Narcea
